Hotel-ready weights for rooms, pools and spa programmes

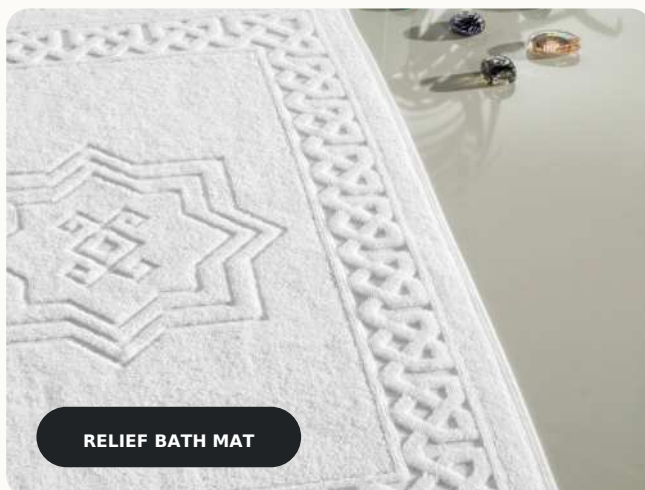

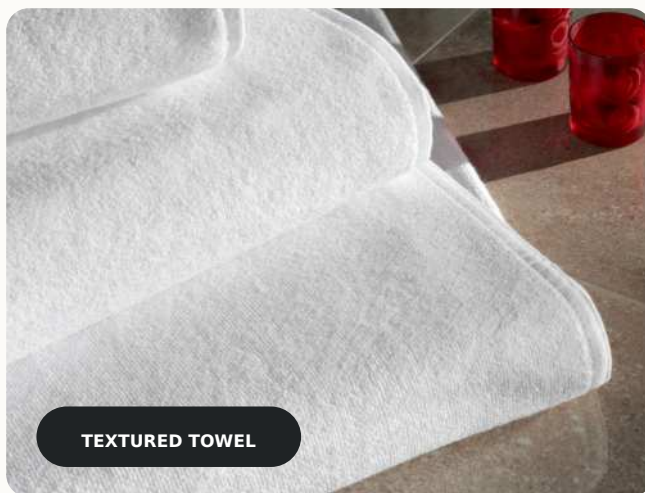

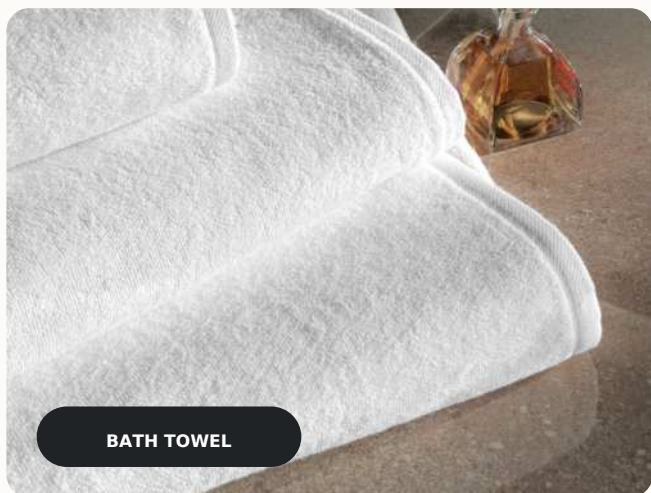

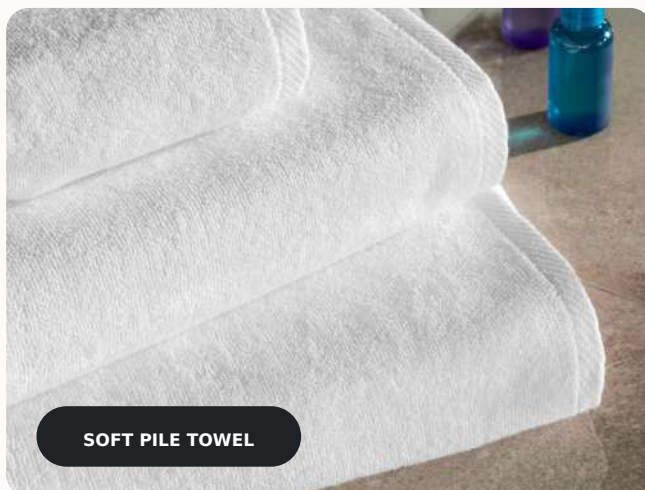

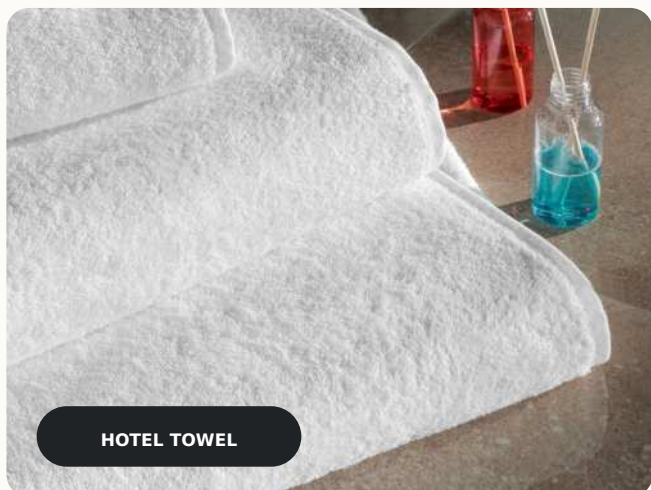

BATH PROGRAMME

- Hand towels, bath towels and bath sheets
- Multiple unit weights and ring-yarn options
- White hotel collection and selected colours
- Cotton bath mats in varied relief patterns
- Embroidery and project branding on request

Bath linen gallery

Different towel textures and bath-mat relief patterns for hotel projects

Bathrobes & spa robes

Comfort-focused options for guestrooms, spas and wellness facilities

ROBE OPTIONS

Room to spa

A compact robe programme that can be matched to the service level and operating style of your property.

- White terry bathrobes
- 330 and 380 g/m2 options
- Cotton velour robes
- Lightweight pique spa robes
- Cotton and cotton-blend constructions
- Size mix and packing confirmed per order

CUSTOM BRANDING

Logo embroidery can be discussed for qualifying project quantities.

A practical route to supply

Clear specifications first, then a confirmed commercial quotation

01

PROPERTY PROFILE

Property type, room count and replenishment or opening schedule.

02

PRODUCT MATRIX

Required items, dimensions, quantities, weights and construction preferences.

03

BRANDING & PACKING

Logo artwork, placement, colour references and packing requirements.

04

DELIVERY

Destination, requested lead time and preferred shipping terms.

START WITH A

Trial Order

Evaluate selected products, workmanship, dimensions and wash performance before moving to a larger hotel supply programme.

- Selected items and specifications
- Starter quantities subject to confirmation
- Production and packing review
- Commercial terms confirmed in writing

TRIAL ORDER AVAILABLE

Final item selection, quantity and lead time are confirmed in the quotation.
